1. IIT Delhi faculty forum expressed their deepest condolences for the deceased student of IIT Bombay and his bereaved family and observed a 2-minute silence.
2. IIT Delhi faculty forum noted that Prof. Suryanarayana Doolla was simply discharging his duties at IIT Bombay during an examination as per the institute's guidelines. It was noted that various allegations against him have been leveled in public without presenting any credible evidence. The forum expresses solidarity with Prof. Doolla, his students, and the family, and condemns the tarnishing of his reputation.
3. There is an apprehension among faculty members regarding the conduct of evaluations and maintaining academic integrity due to the circumstances that prevailed at IIT Bombay. IIT Delhi faculty forum appeals to the student community, their families, and the entire nation to extend their support so that faculty can discharge their duties in maintaining the integrity and fairness of the entire IIT system.
4. IIT Delhi faculty forum strongly condemns the mob-driven behavior, which appears to have affected the decision -making in the recent past on various IIT campuses. Faculty forum also observes that it can be seriously detrimental to the health of the entire educational system.
5. IIT Delhi faculty forum sincerely hopes that IIT Bombay will extend all required institutional and personal support (e.g., legal, financial or otherwise) to Prof. Doolla and his family. Members of IIT Delhi faculty forum also commit their full support in any form required.
